A quintessential British ritual that has evolved since the 1840s.

We pride ourselves on our home baking and appreciate that not everyone has a sweet tooth, so we have incorporated another age old tradition of High Tea into our offering.

Our afternoon teas will always provide the same quantity of elements, but we do like to be creative, using seasonal produce and theming for events.

There is something for everyone on this menu, whether you have a sweet or savoury preference or wish for coffee instead of tea.

### **Traditional Afternoon Tea (Sweet) - £15.00**

Selection of freshly prepared finger sandwiches, a fruit scone with clotted cream and jam, two homemade sweet treats.

A pot of tea or coffee.

### **High Tea (Savoury) - £15.00**

Selection of freshly prepared sandwiches, a cheese scone with cream cheese & chutney, two homemade savouries. A pot of tea or coffee.

### **Tea for Two (Sweet and Savoury) - £28.00**

A mix of sweet and savoury treats to share that includes freshly prepared sandwiches, homemade savouries, cheese scones with cream cheese & chutney, fruit scones with clotted cream & jam and a selection of homemade sweet treats.
